

Membership

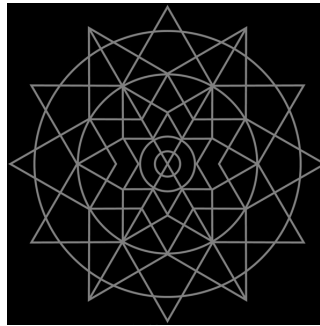

Building critical mass for critical change

**Coalitions
of Mutual
Endeavor**

COME membership registration

Finally! A framework, process and tools to enable a wide diversity of individuals, businesses, agencies, organizations, schools, and other groups to support one another while amassing the power needed to overcome the reigning insanity and catalyze sane, sustainable change.

If you or your organization put people and planet over profit and power... **join us!**

Connecting, coalescing...

Choose your type!

(see Membership Benefits page for full description of benefits)
